

Express your creativity with the computerized Huskystar C20!

FASHION, QUILTING, HOME DECOR AND MORE.

Computerized Huskystar C20 covers all your sewing needs. In addition to the exclusive Swedish design, the adjustable stitches on the Huskystar C20 create 250 stitch functions. You can express your creativity and get the results you desire. This machine has a memory function for saving your favorite pattern combinations.

The backlit digital information display shows you the current settings at all times.

LABEL YOUR PROJECTS.

Your Huskystar C20 has a block style alphabet, complete with numbers, punctuation and special characters. Perfect for customizing your sewing by labeling, dating and more!

EASIEST BUTTONHOLES EVER!

The Huskystar C20 features 11 professional buttonhole styles including a one-step buttonhole.

STEP ON IT OR TAKE THE SLOW LANE?

The slide speed control is conveniently placed on the front panel and allows you to adjust the sewing speed to your sewing needs. Slow for precise work, and faster for more general sewing. Huskystar C20 also features an automatic tie off function and a needle up/down selector. You decide if the needle stops in the up or down position when you stop sewing. Turning corners has never been this easy.

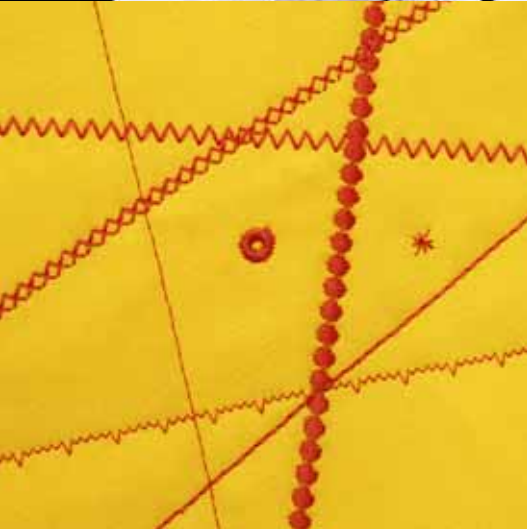

PRACTICAL STORAGE.

The Huskystar C20 has a convenient built-in accessory box that fits nicely on the free arm. Inside you will find presser feet, needles, tools and more. There is also a hard cover - excellent for carrying and storage!
